

Please note that the attached *Learning Agreement* from my home university (Ansbach University of Applied Sciences), contains the same selection of aspired courses as requested in the official UDESC Study Plan. This Learning Agreement has already been approved and signed by both my home course coordinator and the International Office, and therefore aims to serve the same purpose as the official UDESC study plan at this stage of the application process.

Currently, I am awaiting confirmation from PGD regarding the availability of the preselected courses. In order to meet the application deadline, I have included both the signed Learning Agreement from my home university and a provisional, unsigned version of the UDESC study plan in this PDF.

As soon as I receive confirmation about which courses will be available for me to attend, I will promptly adjust the course selection and submit an updated, officially approved version.

Thank you very much for your patience and support. I truly appreciate your efforts and am looking forward to the exchange at UDESC.

Atenciosamente,

Niklas Hahn
