In the Spanish university system, each subject is graded on a scale from 0 to 10 points. Each numeric grade corresponds to a quality grade as follows:
Failed: 0 - 4,9, Pass: 5 - 6,9, Good: 7 - 8,9, Excellent: 9 - 10, Honours means getting excellent plus a special mention. To pass a subject is necessary to get at least 5 points.

In accordance with the provisions of the rules for permanence approved by the social council of the University of the Basque Country, as from academic year 2005/06, grade "examination not taken" does not use up a sitting. The previous regulation in force from 1993/94, under which four "examination not taken" grades counted as one sitting is therefore null and void. Failed: 0 - 4,9, Pass: 5 - 6,9, Good: 7 - 8,9, Excellent: 9 - 10, Honours means getting excell
