In the Spanish university system, each subject is graded on a scale from 0 to 10 points. Each numeric grade corresponds to a quality grade as follows: Failed: 0 - 4,9, Pass: 5 - 6,9, Good: 7 - 8,9, Excellent: 9 - 10, Honours means getting excellent plus a special mention. To pass a subject is necessary to get at least 5 points.

In accordance with the provisions of the rules for permanence approved by the social council of the University of the Basque Country, as from academic year 2005/06, grade "examination not taken" does not use up a sitting. The previous regulation in force from 1993/94, under which four "examination not taken" grades counted as one sitting is therefore null and void.

The subjects appearing in this document have been taken in the languages indicated in the following nomenclature:

G: German, B: Basque, F: French, E: English
